

"Quality UK manufactured PDUs to EU standards"

10 Way Horizontal individually fused **Power Distribution Unit**

Order reference
KWB-10C3SQ

Dimensions L x W x D =
482 mm x 202 mm x 44.45 mm

Mounting Length = 465 mm

Manufactured to BS5733, with UL, CSA & VDE approved components.

Earth bonded for total safety, compliant with RoHS certification.

Current rating 13A
operating voltage 250V
Ac.

Sequential Start On/Off.

IEC 320 Lockable
Sockets.

Individually Fused.

Horizontal mounting.

Set in black powder coated in mild steel metal work.

Green illuminated neon indicator.

Externally wired to
Standard 3 meter 3 core
1.5mm cable to 13 Amp
Connector.
